- iii. Submit background information on the development group including the investors, contractors, and other parties and how the project or projects will be organized and executed.
- iv. Submit experience in designing, constructing, operating, and owning a hotel or tourism related project.
- v. Submit a summary proposal/business plan containing:

- a) description of the project or projects and other amenities that will be catered for;

- e) expected contractors, relevant experience, and overall supervision;
- f) project schedule showing key milestones to start and complete the project or projects;
- g) any market studies;
